

IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF ARKANSAS

IN RE: _____
(Print Name of Party)

OMNIBUS CERTIFICATE OF PARTY

The undersigned is a frequent litigant, either plaintiff or defendant, in the United States District Court for the Eastern District of Arkansas. As such, I wish to avoid the burden of filing the “*Certificate of Party*” required by the Court pursuant to Part 15 of this Court’s Civil Justice Expense and Delayed Reduction Plan each time I am involved in a case in federal court.

I acknowledge that I have received a copy of the publication entitled Your Day in Court: The Federal Court Experience and have read Sections Two, Three, Four, Six, and Seven thereof, the addendum On Alternative Dispute Resolution found on pages 25 and 26, and also a part of Rule 11 that is quoted on page 27. I further certify that I understand the requirements imposed upon me as a party in any and all civil litigation in this Court whether pending or in the future.

I have discussed with my attorney all questions I may have had as to our respective duties and responsibilities during the pendency of all litigation to which I am or will be a party in this Court, whether pending now or in the future.

I understand that this certificate will be placed in a matter file in the Clerk’s Office and it is deemed applicable to any and all litigation to which I am or will be a party in this Court the same as if I had executed a “*Certificate of Party*” form commonly used in this Court which identifies each case by name of plaintiff and defendant and by case number.

Print Name & Title/Position

Note: This certificate must be filed with the papers in this case within 20 days of the time a person, corporation or other organization becomes a party to any civil action in this federal district court. If the party is not an individual, then this certificate must be signed by the officer or agent of the corporation or other association who has the authority to oversee this litigation and make binding decisions on behalf of said party. If the party is an infant or otherwise incompetent, this certificate must be signed by a person having the legal authority to speak for, and to make decisions on behalf of, the incompetent party with respect to this litigation.
