

ELECTRONIC BANKRUPTCY NOTICING
Trading Partner Agreement
(for use with EDI formatted notices)

This Agreement, by and between [Court Name] ("Sender") and [Subscriber] ("Receiver"), for the purpose of providing general procedures and policies to be followed by the Sender and Receiver ("Parties") when using electronic data interchange ("EDI") for transmitting and receiving documents, is the written request referred to in Rule 9036, Federal Rules of Bankruptcy Procedure (Fed. R. Bank. P.).

WHEREAS, Rule 9036, Fed. R. Bank. P., authorizes the clerk or other party as directed by the court to send notices to creditors and interested parties, previously transmitted by mail, by electronic transmission, including all or part of the information required to be contained in such notices; and

WHEREAS, the Parties desire to facilitate noticing and Receiver's data entry in all bankruptcy cases in this District by electronically transmitting and receiving data in agreed formats instead of conventional paper notice by mail and to assure that the notice requirements of the Bankruptcy Code and Federal Rules of Bankruptcy Procedure are met through the use of available electronic technologies for the mutual benefit of the parties;

THEREFORE, the Parties agree as follows:

SCOPE This Agreement provides for the electronic transmission in accordance with the provisions of this Agreement, including the two Exhibits attached hereto and incorporated by reference, of the information required to be contained in specific bankruptcy notices, and the electronic confirmation that the transmission has been received by the Receiver.

AUTHORIZATIONS For those bankruptcy notices listed in Exhibit 1 (Bankruptcy Notices), Receiver authorizes Sender to satisfy its noticing obligations to Receiver, in

accordance with Rule 9036, Fed. R. Bank. P., by making data files electronically available to Receiver in accordance with this Agreement. For those data files made available electronically, Receiver waives all rights to receive the standard "boiler-plate" text of notices attached to and listed in the current Exhibit 1 and to receive written notice by mail.

The Receiver will submit a list with this Agreement, as Exhibit 2 (Standard Name and Postal Service Address, Standard Electronic Address, Synonyms for Name and Postal Service Addresses), of the common synonyms for Receiver's name and the specific electronic and postal service addresses in accordance with Rule 2002(g), Fed. R. Bank. P. to which notices are to be directed in accordance with this Agreement. **If the Receiver wishes to include names for a subsidiary or company brand name a separate Evidence of Authority Form must be submitted.** Receiver acknowledges and agrees to the Technical Specifications set forth in the Implementation Convention for the Accredited Standards Committee X12 electronic data interchange version 3060 transaction set 175 Bankruptcy Court Notice.

Sender will make all reasonable efforts to transmit notices intended for Receiver electronically, however, Sender does not warrant that all notices it is required to send to Receiver will be transmitted electronically. All notices Sender does not transmit electronically will be sent to Receiver by standard First Class mail service.

THIRD-PARTY SERVICES Data files will be transmitted electronically to the Receiver by transmission to the Collection Point (CP) maintained by the Defense Logistics Agency (DLA) Defense Automatic Addressing System Center (DAASC) for transmission to Receiver as a value added network (VAN) or for pick up by another VAN service provider of the Receiver's choice.

If not using DAASC for VAN services, the Receiver will contract for VAN service which is compatible with the DAASC CP service used by the Sender and will pay the costs for the VAN service.

CONFIRMATIONS AND ACKNOWLEDGMENTS The Receiver agrees its VAN service provider will be its agent for confirmation and that the confirmation described in the following paragraph will satisfy the requirements of Rule 9036, Fed. R. Bank. P.

The VAN will confirm that it has received and delivered transmission into Receiver's mailbox by returning a confirmation to the CP, either in proprietary format or using the ASC X12 242 Data Status Tracking transaction. Sender's non-receipt of confirmation within two (2) hours of transmission to the CP will be considered to be System Failure (see below).

SYSTEM FAILURE In case of failure of the electronic noticing system for any reason, the Sender will provide paper notice to the Receiver.

TRANSACTION SECURITY Each party shall use due care and diligence to capture, transmit and maintain all electronic data with the same level of security used for conventional paper notices.

REDUNDANT OPERATION For a limited initial period, the Receiver will receive redundant paper notices as well as the electronic notices provided for in this Agreement. At such time as the Sender determines that a sufficient period of electronic transmission has been provided to permit effective capture of data, paper noticing for the Receiver will cease. The Receiver may terminate this Agreement at that time without allowing 30 days for the notice and not receive notices electronically.

TERMINATION Either Party may terminate this Agreement on thirty (30) days notice to

the other Party.

MISCELLANEOUS

1. SEVERABILITY: Any provision of this Agreement which is determined to be invalid or unenforceable will be ineffective to the limited extent of such determination, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such remaining provisions, unless their invalidity or enforceability are so critical to this Agreement as to make it unreasonable to proceed in their absence.

2. ENTIRE AGREEMENT: This Agreement constitutes the full and complete agreement between the Parties relating to the matters specified in this Agreement and supersedes all prior representations and agreements, whether oral or written, with respect to such matters. This does not include the agreement(s) either party may have with service providers referred to in this Agreement. No oral modification or waiver of any of the provisions of this Agreement shall be binding on either Party. This Agreement is provided by the U.S. Bankruptcy Court and may not be altered or changed in any manner.

3. LIMITATION OF DAMAGES: Neither Party shall be liable to the other for any actual, special, incidental, exemplary or consequential damages arising from or as a result of any delay, omission or error in the electronic transmission or receipt of any data pursuant to this Agreement, even if either party has been advised of the possibility of such damages.

4. AUTHORITY OF SIGNATORY: Under penalty of perjury, I the undersigned affirm I am an authorized officer of the named subscriber company or corporation and I am duly authorized to enter into this electronic noticing agreement on behalf of the named subscriber company or corporation and all

company synonym names and addresses included in Exhibit 2 of this agreement; and I affirm that bankruptcy notices for the company names and addresses provided in Exhibit 2 should be directed to the named subscriber company. I understand that no legal relationship is created between the entity to receive bankruptcy notices herein and the BNC by this election or submission of this form and that the BNC bears no liability for errors resulting from the information submitted herein. **I understand I have a duty to inform each bankruptcy clerk's office should the subscriber no longer be the legal recipient of the bankruptcy notices for any of the names and addresses submitted in Exhibit 2.**
